Don't miss the unique opportunity to learn how to avoid the most lethal diseases of the modern age - heart disease, cancer, and diabetes, but also how to make the eight most qualified doctors attend to you...

These three health lectures could save your life:

Friday, May 4 - 7:00 p.m.:
"Enemy No. 1 and 2"

Saturday, May 5 - 3:00 p.m.:
"It's an Epidemic"

Sunday, May 6 - 10:00 a.m.:
"You Have Eight Doctors"

About the speaker: LES BAUER

Les Bauer, together with his wife Kathy, has for number of years operated a health clinic in in the U.S. He has lectured on health and nutrition in various places both in North America and Europe. Les' involvement with health and lifestyle issues has spanned over 30 years and has made him very qualified to provide instruction and counsel to all those who desire to learn how to live a healthier life! Les, his wife, Kathy, and their two daughters presently live in Crossville, Tennessee, U.S.
